Build your toolkit for flawless application

Finish your look like a pro. Choosing your luxurious, skin-first mineral makeup is the first step, then it's all about using the right tools to apply, blend, and build your look. Our selection of artist-approved brushes is perfect for applying or layering makeup with ease and precision.

FACE

101 Pro Kabuki

This full brush head with dense bristle pack is designed to achieve full coverage; can also be used for all-over blending.

102 Powder Perfector

A full, soft brush designed to achieve sheer-to-medium coverage for face and body.

103 Tapered Setting Powder

A soft, tulip-shaped brush with pointed tip allows for delicate and precise powder application all over face.

104 Dual Fiber Face

This multi-use tool is ideal for lightweight product application and creating soft layers for an airbrushed finish.

105 Flat-top Kabuki

Achieve medium-to-full coverage and a smooth, even application with both powder and liquid foundations.

106 Flat-top Kabuki Traveller

A travel-friendly version of our top selling Flat-top Kabuki designed for midday touch ups and on-the-go-application.

107 Contour/Highlighter

This exclusive dual-ended brush is used to pick up product and sweep over the skin for a natural look. Choose the soft, round end to softly apply, blend, and diffuse product and the tapered end for more defined placement and precise application.

108 Angled Complexion

This ultra soft brush head with angled bristles evenly distributes product and builds coverage as desired for a flawless, airbrushed finish.

109 Dual Foundation/ Camouflage

Expertly conceal everything from the smallest detail to larger surface areas with this dual-ended must-have brush. Suitable for both cream and powder formulations.

110 Full Coverage Camouflage

Designed for cream formulas, this flat-domed brush is the perfect size to conceal any imperfection or blend formulas.

Finishing Sponge

Use for full-coverage foundation application and easy touch ups throughout the day.

EYE

301 Eye Base

Effortlessly apply and build Eye Shadow color over the entire lid.

302 Angled Definer

Use to blend and apply crease shades for a seamless contour on the lid.

303 Detail Blender

A versatile, long hair brush with a medium dome that can be used to apply color all over the lid or soften and contour Eye Shadows.

304 Dual Fiber Eye

Add lightweight, buildable layers with Eye Shadow, primers, and concealers.

305 Crease Shader

Create depth and dimension to the contour of the eye.

306 Detail Shader

The ideal detail brush for small areas. Use with Eye Shadows to contour the eye crease or create a smokey look with eyeliner.

307 Petite Smudge

Designed for applying eyeliner and Eye Shadow near the lashline, also blends and contours to create a smokey effect.

308 Flat Liner

Line and define the eyes with maximum precision. The tapered, flat edge of this brush allows for total customization, from the finest line to a bold build out.

309 Dual Brow/Liner

Angled bristles perfectly fill brows and define eyes. Use the large end for all-over brows and a more dramatic liner statement, the smaller end for detail and blending.

CHEEK & LIP

202 Powder Blush

Offers light shading and color enhancement to the cheek area.

203 Dual Fiber Cheek

Softly place color on cheeks or use for lightweight application of liquid and powder foundations.

401 Precision Lip

Define and fill lips for a smooth, even application of color.

EXTRAS

Pencil Sharpener

Create either a well-defined or rounded point for any of our Precision pencils. For a well-defined point, simply remove the red lever from the sharpener.

Crayon Sharpener

German engineered blades are specially designed to sharpen our Lip Crayon formulas to a round point without breaking. And also includes a cleaning stick to help remove shavings.

Gentle Makeup Remover

Gently and effectively removes all traces of makeup. This non-oily formula has been both allergy and clinically tested to be non-irritating for the delicate eye area. Anti-inflammatory and hydrating actives leave the skin softened and soothed.
